Descrizione: This elegant and spacious flat opens onto a private garden with a covered terrace for al fresco dining. A staircase leads to the first and top floor, where the living area comprises a bright living room with an open-plan kitchen; a hallway fitted with cupboards to house a washing machine and tumble dryer provides access to the bathroom (which has a window) and the double bedroom. The high-ceilinged attic will feature exposed wooden beams.

The property is situated within an exclusive complex characterised by traditionally designed buildings with ventilated roofs covered in traditional tiles, and refined architectural details such as exposed brick and stone features; the green pergolas lend charm and elegance to the private entrances. Each unit has its own private garden, perfect for socialising or relaxing in the open air.

The residence, which features a communal swimming pool shared amongst a few residential units, also offers two private outdoor parking spaces. The homes are also equipped with rooftop solar panels to maximise the energy efficiency of the underfloor heating and are pre-wired for air conditioning. Provision will also be made for the installation of a charging point for electric cars.

Its strategic location offers quick access to both Lonato del Garda and Desenzano del Garda. Schools, supermarkets, public parks and all essential amenities are in the immediate vicinity. Furthermore, the beautiful hilly area offers walks through fields, vineyards and olive groves, as well as easy access to the famous Maguzzano Abbey, which can be reached on foot or by bike.

This property is the ideal choice both as a primary residence and as a property investment, thanks to its high-quality construction, extremely low energy consumption and contemporary style, set amidst greenery yet close to the heart of the town.
It represents the perfect opportunity for those wishing to live in peace and quiet without sacrificing the convenience of local amenities and the area’s natural beauty.

The finishings are of an excellent standard, with the option to choose materials and the internal layout.
Handover is scheduled for early summer 2027.

The pl[illegible] examples of the excellent finishings available as per the specifications.
